Welcome Letter from Pastor

As your pastor, it is a joy to open the church doors and welcome those who have gathered for worship, fellowship and service here at the Restore the Breach Fellowship.

Our congregation here at RTBF is an exciting place to join with others on the journey of seeking their purpose in life. It's a home for the whole family to learn about God in a way that is not only practical but also fun.

We are serious about the Bible, serious about the truths that are found in it and living in Him but also like to laugh, cry and experience life together.

As we seek to be a caring and an inviting church, we recognize the importance of forming new relationships. With open hearts and open minds we encourage you to join in opening doors to new friendships.
